

CERTIFICATE OF APPRECIATION

Attention: Mr. Chia Kok Boon,
Senior Project Manager
Jurong Engineering Limited – Qatar Branch

This is to express our sincere appreciation for the dedicated, cordial and proactive attitude demonstrated by Jurong Engineering Limited for the construction and the commissioning assistance of QASCO HBI/DRI COMBO PLANT PROJECT from September 2005 to July 2007.

It gives us great pleasure to announce that your construction work has been done perfectly on schedule and in very safe manner with your well organized plan and iron will to conduct it, which are also praised by our customer, Qatar Steel Company. We would appreciate it if you would show us the same work attitude in future and other on-going projects.

This certificate is being issued on 29th July, 2007.
